10.Student Feedback on Institutional Governance/faculty performance

Student feedback is taken twice in a semester in this institution; first at the middle of the semester and second at the end of the semester. Feedback taken from the students and the analysis report is given to the respective faculty to improve their performance.
Feedback is taken using an online system and it is highly confidential.

11.Grievance Redressal mechanism for faculty, staff and students

System for Redressal of grievances of faculty, staff and students
The utmost attention is paid by the management of the college following an open system of administration and grievances from staff and students
Complaints and suggestion boxes are kept at a number of places in the campus.

The suggestions and complaints are carefully looked into and remedial measures undertaken. Responses are also publicized through notice boards.

Discipline is given a very high priority and any case of indiscipline, a committee appointed by the principal enquires into the matter by calling witnesses and recommendations are made about the action to be taken by the management.

Grievances regarding the staff in terms of salary, promotions etc., are carefully looked into by the HR department in consultation with the principal and remedial measures taken.
The committee comprises of the following members

There are many Committee's that look after various issues in the campus.

Students' Grievance Redressal Cell:

The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute.
